DESIGNED FOR OUTDOOR EVENTS

WEDDINGS

EXHIBITION

Designed for outdoor events, weddings, functions and tent platforms.

MINI PROFLOOR PROTECTIONS

Cost-Effective Temporary Flooring, Installed in Minutes.

DEPLOYMENT

This light-duty removable temporary floor is easy to deploy, lift, and reuse wherever needed.

PROTECTION

It creates a stable walking surface while providing effective grass protection, making it a practical choice for short-term events.

HIGHQUALITY

The panels offer long service life, strong color retention, and a clean appearance that stays fresh event after event.

FAST INSTALLTION

STEP 1: CONNECT THE PANELS

STEP 2: ROLL OUT SETTING

STEP 3: FIT THE AREA

Simple assembly with no complicated tools.
